

Exercise 3 (PPO) — figures

No PNG exports found under logs/ppo/.

After training, add TensorBoard scalar screenshots or exported plots here, then re-run:
`python results_pdf/build_pdfs.py`

Also include the printed output from:
`python scripts/eval_ppo.py`

Exercise 4 (SAC) — figures

No PNG exports found under logs/sac/.

After training, add TensorBoard scalar screenshots or exported plots here, then re-run this script.

Also include the printed output from:
python scripts/eval_sac.py
